ULTIMATE PERFORMANCE MEETS EXQUISITE LUXURY: BENTLEY AT THE GENEVA MOTOR SHOW 2017

- **World's fastest four-seat cars – the Continental Supersports Coupe and Convertible – make their motor show debuts**
- **Bentley's bespoke division introduces Bentayga Mulliner, the ultimate luxury SUV**
- **Limited Edition Mulsanne Hallmark Series by Mulliner also makes global debut**
- **Flying Spur flagship the W12 S makes motor show debut**
- **Find Bentley in Hall 1, Stand 1261. Press conference at 09:35 CET**

(Crewe, 3 March 2017) Bentley is showcasing its unique breadth of capabilities at this year's Geneva Motor Show – from exquisite off-road luxury to extreme on-road performance. There will be five exciting new Bentley models on the brand's stand in Hall 1, including the Continental Supersports Coupe and Convertible which are being unveiled to the public for the first time.

A top speed of 209 mph (336 km/h) and a 0-60 mph time of 3.4 seconds (0-100 km/h in 3.5 seconds) make the new Continental Supersports the world's fastest and most powerful luxury four-seat car.

Also on stand is its soft-top sibling, the Continental Supersports Convertible, the fastest four-seat convertible in the world. Open to the elements, the Convertible despatches the sprint to 60 mph in 3.7 seconds (0-100 km/h in 3.9 secs) on its way to a 205 mph (330 km/h) top speed.

BENTLEY

Press Information

Bentley's personal commissioning division, Mulliner, is showcasing two all-new models at the Swiss expo, which will redefine the benchmark for automotive luxury. Making its global debut is Bentayga Mulliner, the new flagship Bentayga model which reaches new heights of interior cabin luxury.

A special one-off example of the Bentayga Mulliner will be on the Bentley stand in Geneva, featuring a unique inlay to the front fascia depicting the stunning Monte Rosa mountain range in exquisite hand-crafted marquetry created by the artisans at the Home of Bentley in Crewe.

Bentley will also be unveiling the highly exclusive Mulsanne Hallmark Series by Mulliner – a limited edition inspired by the finest precious metals and luxury materials used by the very best jewellers. This limited edition is available across the Mulsanne range, and is the ultimate statement of luxury from Bentley's flagship model. Silver and Gold versions of the fifty-model series will be made available to customers.

Meanwhile, the flagship to the four-door Flying Spur range, the W12 S, is also making its motor show debut in Geneva. The newest Flying Spur model is the first four-door Bentley to have a top speed in excess of 200 mph, and offers a more sporting experience for owners looking for increased power, torque and responsiveness

Bentley's 2017 Geneva Motor Show Press Conference

Bentley is situated in Hall 1 and stand 1261. Visit at 09:35 CET to watch Chairman and CEO, Wolfgang Dürheimer, present the latest additions to Bentley's model range.

Notes to editors

Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's four model lines, Continental, Flying Spur, Bentayga and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
