### **MULSANNE SPEED: EXQUISITE LUXURY WITH DRIVING SATISFACTION**

- **Created for customers who prefer to take the wheel themselves**
- **State-of-the-art chassis technologies deliver world's most refined ride and effortless comfort**
- **Line about power and torque**
- **0-100 km/h time of just 4.9 seconds, and top speed of 305 km/h**

Featuring a more powerful version of Bentley's mighty 6¾-litre twin-turbo V8 engine, the new Mulsanne Speed is truly tailored for the driver. With 537 PS (530 bhp), 1,100 Nm (811 lb.ft) of torque and selectable sports suspension, the Speed combines outstanding driving satisfaction with supreme comfort.

The Speed dispatches the sprint to 0-100 km/h time of just 4.9 seconds (0-60 mph in 4.8 seconds) and has a top speed of 190 mph (305 km/h) – unrivalled figures in the ultra-luxury sector.

The Mulsanne Speed features a series of uniquely assertive styling features that mark it out as the high-performance pinnacle flagship. A dark tint finish is applied to the exterior brightware, affording the Speed a more menacing appearance. Exclusive 21" hand-finished 'Speed' alloys; dark tinted front and rear lamps; rifled sports exhausts; and Speed fender badging highlight the credentials of the world's fastest ultra-luxury driving experience.

On the inside, the Speed benefits from a number of new features that highlight its athletic, sporting abilities. A Mulliner Driving Specification interior comes as standard, adding diamond-quilted seats, a knurled gear lever, drilled alloy sport pedals and optional carbon fibre waist rail inserts.
