### **BENTLEY TO REVEAL THE FUTURE OF GRAND TOURING ON ITS 100<sup>TH</sup> BIRTHDAY**

**(Crewe, 1 July 2019)** Bentley Motors will reveal the future of grand touring to the world on 10 July, 2019 – the company's official 100<sup>th</sup> birthday.

A physical embodiment of the future Bentley brand, and created in the company's centenary year, the Bentley EXP 100 GT is a transformative zero emissions concept car that will inspire extraordinary human experiences through a perfect blend of technology and craftsmanship.

The Bentley EXP 100 GT is also a showcase of sustainability and innovation, engineered to create a greater awareness of the world outside. It will feature a fascinating array of materials seamlessly blended together by the designers at Bentley Motors, who have taken handcraftsmanship of materials to an as yet unseen level to set the new benchmark for luxury craftsmanship.

**EXTRAORDINARY  
YEARS**

Bentley's vision of the future of luxury mobility, it will intelligently and sustainably enhance the owner's grand touring experience, whether enjoying the thrill of driving or being driven autonomously.

### Notes to editors

Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's four model lines, Continental, Flying Spur, Bentayga and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
