### JOIN RHYS MILLEN ON HIS RECORD BREAKING HILL CLIMB

- **Films available to celebrate new production SUV record at Pikes Peak**
- **Rhys Millen completed course in 10:49.9 in Bentayga W12**

**(Crewe, 28 June 2018)** Bentley is celebrating the setting of a new production SUV record at Pikes Peak by a standard Bentayga W12 with the release of two films. Driven by two-time Pikes Peak overall champion Rhys Millen (NZ), the Bentayga completed the 12.42-mile, 156-corner course in 10:49.9, taking almost two minutes off the previous SUV record.

Bentley fans can join Millen on his sprint from start to finish as seen from a point-of-view camera mounted to his race helmet, or watch a two-minute summary of the 5000 ft climb up the unforgiving mountain.

The Pikes Peak Bentayga project was supported by Bentley's technical partners Mobil1 and Pirelli, and by exhaust partner Akrapovic.

## Press Information

### Notes to editors

Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's four model lines, Continental, Flying Spur, Bentayga and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
