### **BENTLEY HOME CELEBRATES CENTENARY WITH STYLISH NEW FURNITURE**

- **Limited run of 100 special edition pieces of chair, foot-stool and desk available to order**
- **Innovative designs using modern materials inspired by Bentley's past, present and future**
- **Collection debut at Milan Salone del Mobile**

**(Crewe, 12 April 2019)** Bentley Motors celebrates its centenary with a limited edition collection of Bentley Home furniture at the Salone del Mobile fair in Milan. The line, created by Bentley Design, is produced by Bentley Home with just 100 pieces of each style bearing the special Bentley Centenary logo etched into metalwork.

The three new pieces in the Home collection are inspired by the brand's dedication to design, the highest quality materials and manufacturing execution. These extraordinary limited edition pieces comprise a desk, an armchair and a matching foot stool and pay homage to the values embodied at Bentley's headquarters in Crewe. Innovative designs echo Bentley's vision for the future and modern materials ensure this outstanding selection of contemporary home furniture complements global lifestyles and interior tastes.

brushed with liquid gold. Each piece celebrates the spirit of a glorious century, whilst looking forward to the years ahead.

Bentley's long history dates back to 1919, when founder W.O. Bentley created the first prototype in a London mews. This automotive 'first' transformed the face of motoring, and began a century of phenomenal power, speed, motorsport success and exquisite craftsmanship.

### Notes to editors

#### About Bentley Motors

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations, including design, R&D, engineering and production of the company's four model lines – Continental, Flying Spur, Bentayga, and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4000 people at Crewe.
