**BENTLEY MOTORS MAINTAINS TOP EMPLOYER STATUS WITH PROFESSIONAL DEVELOPMENT FOCUS**

- **Global recognition for employment practices**
- **Talent development and recruitment processes commended**

**(Crewe, 9<sup>th</sup> February 2017)** Bentley Motors has been recognised as a Top Employer for the sixth consecutive year, reflecting the company’s attention to excellence in personal development and employee conditions.

The award - presented by the Top Employers Institute - highlighted Bentley’s emphasis on continuous improvement, employee conditions and dedication to the company’s 4,000-strong workforce.

Commenting on the achievement, Marlies Rogait, Member of the Board for Human Resources, said:

“Maintaining our status as a Top Employer is not only recognition for our business, but for our colleagues as well. We are very proud of our highly-skilled workforce and are committed to ensuring they have every opportunity to reach their potential.

“Everyone in the business, from the craftspeople in the factory, to the executive team in the boardroom, are incredibly passionate about what they do. This passion for success only helps reinforce our position as the world’s number one luxury car brand.”

## Press Information

Institute - recognises leading employers around the world, which provide excellent working conditions, make every effort to continuously enhance recruitment processes and nurture and develop talent throughout all levels of the business.

Bentley Motors recently launched its 2017 trainee recruitment, with 60 positions available for apprentices, undergraduates and graduates, across all business areas.

Looking further ahead, to support the company's future investment in its employees and the community, Bentley is playing a pivotal role in bringing a University Technical College to Crewe. Focused on Engineering and Design, the school will offer an inspiring education for 14-18 year olds seeking a pathway to future employment.

### **Notes to editors**

- Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's four model lines, Bentayga, Continental, Flying Spur and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
