Time to travel

When the world begins to open up once again and we're able to travel both for business and for pleasure, having the most luxurious and stylish accessories will make it even more exciting. Following the popularity of the [Heritage Weekender](#) and [Heritage Backpack](#) in Dark Sapphire with red and white stripes, the Bentley Collection now introduces a new colourway: Beluga black with green and white stripes. These Italian-made bags are classic in their design, perfect for weekend staycations and Bentley road trips.

Another new introduction to the range is the [Heritage Washbag](#), to match the Dark Sapphire Heritage Weekender and Backpack – with red and white stripes. Also crafted in Italy, the lined washbag opens with a sturdy zip, and features two internal pockets also bound in fine leather. The ideal accessory for any trip away, and for keeping products tidy at home. It is the perfect home for a bottle of [Bentley Silverlake](#), the latest Bentley Fragrance for men, a cool, crisp and aromatic scent which evokes alpine landscapes and the silver reflection of water on a lake.

For gadget lovers

Safely stow away laptops and tablets with the new [Heritage Tech Case](#), designed to subtly match the Heritage luggage and washbag, but featuring self-coloured, black leather stripes for a more understated finish, the case is also created in Italy in the finest, smooth leather. Perfect for those who are always on-the-go, the case features internal pockets including one that is the ideal size and shape to store a smartphone and another which safely zips up. The Heritage Tech Case is essential to modern business working, securely taking you from home to office to meeting whenever needed.

Quick and practical, the [Charging Power Bank](#), suits life on the move perfectly. The wireless, USB charging pack is a high-gloss design, featuring an LED Bentley logo and provides 800mah (3.7 V) of power for your smartphone or electronic device. The 3-in-1 [Charging Cable](#) is an essential item for powering and syncing your mobile phone and accessories. The cable is Apple certified and stress-tested to 10,000 bends, for optimum durability. The matrix effect pattern in grey, and the leather tie-wrap and press stud detailing draw on Bentley's cars for design inspiration.

Launched in 2020 to rave reviews, the [Focal for Bentley Radiance Headphones](#) are a stunning feat of technical engineering. Developed and crafted in France, these high-fidelity headphones combine design, refinement and cutting-edge audio technology. Striking copper accents and the diamond lattice pattern take design cues from Bentley Motors, a stylish accessory which allows music-

Accessories for busy lives

The new [Reusable Cup](#) is a stylish yet practical addition to the Bentley Collection. Crafted from sustainable rice husks and fully recyclable itself, the striking item discourages the use of disposable cups. A coordinating, silicone lid and grip keeps both hot and cold drinks secure, and it is dishwasher and microwave safe for use every single day. A printed diamond design and Bentley composite logo on the cup make it a fantastic product for Bentley fans and owners to take with them wherever they go. Available in iconic Bentley colours: Black, Portland or Moroccan Blue. Alternatively, the new [Travel Flask](#), available in Black, Blue or Silver, is great for longer journeys. Crafted in stainless steel, it will keep liquid hot for up to 12 hours or cold for up to 24 hours. Powder-coated for a soft, 'brushed' effect, and smartly laser-engraved with the Bentley wings logo.

The new [Card Holder](#) is crafted in the most luxurious leather and features Bentley's distinctive emblem debossed in silver on one side of the grained leather. Spanish crafted, the card holder is a compact design with six pockets to store your credit cards, business cards and cash.

The new [Flying B Cufflinks](#) make the perfect present for fans of the Bentley Flying Spur. Inspired by the iconic Flying B motif that sits proudly on the car's bonnet, the cufflinks feature a laser-etched Bentley wings emblem on the rear fixing. The new [Flying B Keyring](#) features the same emblem, and also features

Notes to editors

Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's three model lines, Bentayga, Continental and Flying Spur. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
