## Press Information

### **LONG-AWAITED – A NEW BENTLEY IS COMING**

**(Crewe, 29 April 2022)** Bentley will announce a fifth model to join its portfolio of luxury cars at 12:30 BST on Tuesday 10<sup>th</sup> May. The company's designers, engineers and craftspeople have gone to new lengths to combine luxury, technology and performance in a way that only Bentley can deliver. With an extra dimension of on-board wellness, the new model will sit in sumptuous comfort at the pinnacle of its range and deliver a breadth of capabilities beyond anything previously offered.

#### **Notes to editors**

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering, Mulliner and production of the company's four model lines, Continental GT, Continental GT Convertible, Flying Spur, and Bentayga. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
