The Bentayga EWB has been extended by 180 mm to offer even more legroom, creating Bentley’s latest, sector-defining grand tourer. With increased interior dimensions compared to other luxury rivals, the EWB features optional Airline Seat Specification, with world-first climate sensing and advanced postural adjustment systems. The height of craftsmanship, EWB seat configurations include an all-new 4 + 1 layout, alongside four and five-seat versions.

The EWB, launched with Bentley’s 4.0-litre 550 PS V8 engine, also features the first application of Bentley Diamond Illumination, delivering cabin lighting

through the handcrafted leather. Customers can choose from 24 billion different trim combinations, with finer sewing threads creating Bentley's softest, lofted quilt to date. The EWB Azure on display in Belgium prioritises comfort, with a carefully curated selection of features for 'wellness behind the wheel'. Developed with the help of wellbeing experts and neuroscientists, the Azure includes the Touring Specification of advanced driver assistance technologies for safer, more relaxing journeys. The stress-free interior ambience is enhanced by reduced levels of NVH, or Noise, Vibration and Harshness.

Alongside the exquisite, Rose Gold Bentayga EWB at the Belgian event will be a Bentley Continental GT V8 Mulliner Convertible – the pinnacle of bespoke craftsmanship. The car that defines open-top luxury will be presented in vibrant Cricket Ball. An exclusive interior features trio-tone Linen and Cricket Ball leather, with Silver contrast stitching and hide accents, finished with Mulliner Grand Black veneer. The GT Mulliner Convertible has been created to appeal to customers who want an even greater focus on beautiful details. Mulliner, the world's oldest coachbuilder, has gone above and beyond the industry-leading craftsmanship synonymous with Bentley to create the ultimate expression of open-air grand touring.
