BENTLEY LAUNCHES SPECIAL EDITION 6-IN-1 MULLINER TRICYCLE INSPIRED BY THE BENTLEY MULLINER RANGE – UNPRECEDENTED LUXURY FOR LITTLE ONES

- **The new 6-in-1 Mulliner-inspired Tricycle is the perfect counterpart to the Mulliner Range for young Bentley enthusiasts**
- **Complete with replica Mulliner wheels, hand cross stitching and a luxurious leather cushioned seat**
- **Frame painted in White Sand from Bentley Motors colour palette**

(Crewe, 20 September 2023) Bentley Motors presents a new 6-in-1 Mulliner Tricycle inspired by the Mulliner Range. Designed with style, comfort and safety in mind, the Mulliner inspired 6-in-1 Trike has been created to grow alongside your child in true Bentley style.

It introduces several new features inspired by Bentley's elegant Mulliner cars, including a new seat that was developed specifically for this trike. With added soft inserts, this seat simulates the shape of the car seat and ensures extra comfort for children. The design follows one of Mulliner's unique elements, diamond-in-diamond handmade quilting, and the Bentley badge is stitched on the soft headrest.

The tricycle's air-pumped wheels follow the Mulliner wheel design to a tee, with a Bentley logo in the middle surrounded by the 'Bentley Mulliner' wording – just like you would find on the wheels of an original Mulliner car. The wheel-centre cap ensures the 'B' badge is always in the motionless upright position, even when the trike is riding.

BENTLEY

Press Information

There are other new Mulliner features that represent the commitment to luxury and perfection in each trike. These include a chrome emblem at the hood of the trike, a diamond-in-diamond quilted push handle bag, and a unique colour: White Sand.

A range of advanced safety features

The Mulliner-inspired 6-in-1 Trike will safely seat your child from six months old to upwards of five years thanks to its innovative transformation capability that sees the padded seat rotate and recline. The up to date 'Bentley' magnetic buckle combines with the elastic five-point belt to ensure your child's optimal safety.

In addition, the new metal pedals have an anti-slide design that are the exact replica of those found in our Mulliner cars, while a footrest and detachable push handle mean you can assist younger children as they learn to ride. There's even a retractable sun canopy to protect your child from the sun's harmful rays and a rear storage basket for drinks and snacks or toys.

sets of footrests help your little one enjoy adventure and comfort as they grow.

Rotate the seat and, once little legs are long enough to reach the pedals, a handlebar clutch engages to ensure you retain control. When your child is ready for independence, your adventurer can take control of the trike and enjoy their own extraordinary journeys!

Bentley 6-in-1 Mulliner Trike, £595, available at shop.bentleymotors.com

Notes to Editors

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering, and production of the company's five model lines, Continental GT, Continental GT Convertible, Flying Spur, Bentayga and Bentayga EWB. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
