BENTAYGA NAMED 'SUV OF THE YEAR' BY *ROBB REPORT*

- **Crewe-built Bentayga takes prestigious inaugural SUV award**
- **Bentayga was “the run-away winner” says Robert Ross**

(Crewe, 6 December 2017) The Bentley Bentayga has been named 'SUV of the Year' by *Robb Report* magazine.

The honour, which was awarded for the first time this year, was voted for by the *Robb Report* editorial team and selected members of the magazine's RR1 club.

Competing against six of the best SUVs on the market, all entrants were driven across a rugged course in Las Vegas' Red Rock Canyon. *Robb Report's* editor, Robert Ross, commented: “If the best way to fly is 'private,' Bentayga is general aviation's four-wheeled equivalent. There is no getting around the fact that Bentley's Bentayga was the run-away winner.”

Notes to editors

Bentley Motors is the most sought after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's four model lines – Continental, Flying Spur, Bentayga and Mulsanne. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
