BENTAYGA EWB RIVIERA COLLECTION DEBUTS AT THE BRUSSELS MOTOR SHOW

- **Bentley Bentayga EWB Azure Riviera Collection turns heads at the Brussels Motor Show**
- **A unique blend of craftsmanship, designed with bespoke exterior and interior elements inspired by the world of yachting**
- **Alongside the new Continental GTC, powered by the ultra performance hybrid powertrain**

(Munich, 8 January 2025) Bentley Motors proudly presents two exceptional models at the Brussels Motor Show, marking a new pinnacle of luxury and performance. The Bentayga EWB Azure Riviera Collection, with its captivating Aegean Blue exterior inspired by the depths of the sea, takes centre stage alongside the debut of the new Continental GTC in a dazzling Bronze finish at the heart of Belgium's capital.

Designed to set a new standard for passenger comfort, the model features the innovative Airline Seat Specification, incorporating a postural adjustment system. This groundbreaking technology, developed in collaboration with chiropractors, uses algorithms to make 177 micro adjustments across six independent pressure zones over a three-hour period, ensuring optimal comfort and minimizing fatigue during long journeys. Reflecting the serenity and refinement of the yachting lifestyle, the Bentayga EWB Azure Riviera Collection is a testament to Bentley's commitment to artistry and innovation.

The Bentayga EWB Azure Riviera Collection offers a unique bespoke environment with an interior that includes Linen as main hide and Brunel as

secondary hide with Autumn accents. A special Riviera Collection 'knot' embroidery on the headrest and "Azure" embroidery on the seat backs in Autumn accents underpin the collection's attention to detail and exclusivity.

Accompanying this extraordinary model is the new Continental GTC, finished in a stunning Bronze exterior complemented by granite-coloured brightware and striking 22" ten-spoke wheels in a grey-painted and bright-machined finish. With an interior in Cumbrian Green leather, Camel accents and detailed with contrast stitching. Redefining the ultimate blend of supercar performance, handcrafted luxury and everyday usability. The performance of the powertrain is matched by a new chassis system, with new two-chamber air springs paired with new dual-valve dampers, along with Bentley Dynamic Ride (48V active anti-roll control), eLSD and torque vectoring. The new Ultra Performance Hybrid powertrain delivers a revolutionary blend of extreme performance and effortless electric luxury, delivering an unforgettable driving experience.

The performance of the Continental GTC Speed is breath-taking for an open-air Grand Tourer. With 782 PS and 1000 Nm it takes 3.4 seconds from 0-100 km/h while delivering emissions of 29 g/km of CO₂ and an electric range of 81 km on the WLTP drive cycle. The Convertible features Bentley's seven-bow fabric roof system available in a range of seven exterior colours (including tweed) and deployable in 19 seconds at speeds up to 48 km/h.

The Bentley brand is represented by D'leteren Automotive in Belgium with three dedicated showrooms: Bentley Antwerp, Bentley Brussels and Bentley Knokke.

Notes to Editors

About Bentley Motors

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering, Mulliner and production of the company's three model lines and five derivatives in total, Continental GT, Continental GT Convertible, Flying Spur, Bentayga and Bentayga EWB. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
