Purchasing, HR, IT and Finance. The programmes are designed to encourage growth, enabling apprentices to develop their skills, work towards an externally recognised qualification and learn from industry experts across Bentley in their day-to-day roles.

Commenting on the opening of the applications, Dr. Karen Lange, Member of the Board for Human Resources, said:

“The Bentley Apprenticeship programme is one of the longest serving and most rewarding programmes in the world and it represents our commitment to nurturing talent and empowering the next generation of visionaries.

“Fresh ideas, diverse perspectives and innovative capabilities are vital as we transform the entire business with our Beyond100 strategy and these recruits have the opportunity to help underline our ambitions and shape our future, keeping us at the forefront of innovation and sustainable luxury mobility.”

Furthermore, commenting on their experience, Emily Ruscoe, Degree Apprentice in Body & Trim Engineering, said:

"Not only is Bentley a very respected and reputable company, but of all the apprenticeships I looked at, the ones Bentley offered sounded the most exciting and beneficial to my development.

"Being an apprentice at Bentley is very rewarding and you're made to feel like a valuable member of your team. You're respected, trusted and given responsibilities from the beginning. The support I have received from my manager and the Early Careers Team have both encouraged me and helped me

to grow my confidence, whether that be in helping me recognise my achievements, or pushing me outside my comfort zone.”

Earlier this year the luxury British marque was recognised for its benchmark colleague experience, claiming the Top Employer title for the 13<sup>th</sup> consecutive year. Bentley is the only UK-based automotive manufacturer to be awarded Top Employer.

The vacancies, now live, are welcomed from school or college leavers or those looking for a change of career. For more information on the available Apprenticeship opportunities and how to apply, please visit [careers.bentleymotors.com](https://careers.bentleymotors.com). Applications will close 18 February, 2024.

### Notes to editors

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering and production of the company's five model lines, Continental GT, Continental GTC, Flying Spur, Bentayga and Bentayga EWB. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
