THE BENTLEY MULLINER BATUR

- **New, exclusive, hand-built grand touring Bentley**
- **Bentley Mulliner Batur launches new design language for Bentley**
- **To be revealed at Monterey Car Week 2022 at**
 - **04:00 BST, Sunday 21st August**
 - **20:00 PST, Saturday 20th August**

(Crewe, 9 August 2022) Bentley Mulliner, the oldest coachbuilder in the world, is synonymous with the handcraftsmanship of exclusive coachbuilt grand tourers, at the pinnacle of the Bentley family. Following the instant success of the Bacalar project, Mulliner will debut a stunning new model – the Batur - at this year's Monterey Car Week. So much more than the successor to Bacalar, the Bentley Mulliner Batur reveals an all-new design language for Bentley that showcases themes and forms that will define Bentley's future range of Battery Electric Vehicles (BEVs).

Like the Bacalar, the Batur is named after a beautiful natural body of water. Lake Batur is an 88m deep, 16 km² crater lake in Kintamani on the island of Bali, Indonesia.

The Bentley Mulliner Batur will be revealed to the world at 04:00 BST on Sunday 21st August (20:00 PST on Saturday 20th).

BENTLEY

Press Information

Bentley Motors is the most sought-after luxury car brand in the world. The company's headquarters in Crewe is home to all of its operations including design, R&D, engineering, Mulliner and production of the company's five model lines: Continental GT, Continental GTC, Flying Spur, Bentayga and Bentayga EWB. The combination of fine craftsmanship, using skills that have been handed down through generations, alongside engineering expertise and cutting-edge technology is unique to UK luxury car brands such as Bentley. It is also an example of high-value British manufacturing at its best. Bentley employs around 4,000 people at Crewe.
